

print_handshake

```
graph LR; A[print_handshake] --> B[serialize_handshake]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box, labeled 'print_handshake', has a light gray fill and a black border. The right box, labeled 'serialize_handshake', has a white fill and a black border. A dark blue arrow points from the right side of the first box to the left side of the second box, indicating a flow or sequence.
